Illustrative Cyber Incident Response Endorsement

IMPORTANT NOTICE

DEMONSTRATION DOCUMENT ONLY. This fictional sample is for testing document ingestion and retrieval. It is not an insurance contract, does not provide coverage, and must not be used to make a claim or purchasing decision.

1. Notice of suspected incident

The insured must notify the insurer as soon as practicable and no later than 72 hours after discovery of a suspected security incident. Notice should include the discovery time, affected systems, and a contact for follow-up.

2. Emergency response expense

Subject to the policy terms, approved emergency incident-response expenses are limited to $25,000 per policy period. Prior approval is required when practicable. The limit is not an automatic payment or a guarantee that any particular vendor expense is covered.

3. Exclusions and limitations

Loss of cryptocurrency and voluntary payments made to extortionists are excluded by this illustrative endorsement. Ordinary business interruption, regulatory penalties, and costs not authorized by the applicable policy are not established as covered by this sample text.

4. Duties after discovery

Preserve relevant logs, take reasonable steps to contain the incident, cooperate with the insurer, and retain invoices and records. Do not destroy evidence or delay notice while attempting to determine the full scope.

5. Questions answered by this sample

Notice is required as soon as practicable and no later than 72 hours after discovery. The emergency response expense limit is $25,000 per policy period, subject to approval and all policy terms.
